Presidents Report

August here already, and even though I complained about the wet weather last month, we really have had some fantastic weekend days to enjoy our cars and, Spring is nearly here!

September is our AGM, and nominations for executive and committee members are now open. Our club rules state that executive members can only hold their position for three years, which stops them being burdened with duties for long periods of time and allows members to bring fresh ideas and support to the club.

While we all currently have time left before we have to step down, it is easier if we can stagger the terms of each of our officers, so the executive committee is not made up of new members every time.

I, especially know how important this is as I was a very new member when voted into my current position, and had Sarah and Josh stay on to help me. Even one new executive member this year will help with the transition next year.

Please remember, if you want to nominate somebody for a position, make sure they are happy to stand also.

I am always impressed with the amount of energy and drive our whole committee has when it comes to organising events, and the way this is embraced by our growing number of members.

As a car club, we have a social event every month that is fun and as much

as possible, family friendly. Having talked to other car clubs, many are surprised that we do so much socially.

On behalf of all members, I wish to extend a huge thank you to all our committee for their dedication and enthusiasm over the past year. You guys and ladies have done a fantastic job in making this one of the best car clubs in the country.

THANK YOU and WELL DONE!

Allan

Action Dirt Karts

After arriving early in anticipation of going racing, we waited for others to arrive.

We had seven people attend. Upon going inside, we were told we would have to wait a bit as it seemed we were double-booked. As we anxiously waited, and others went down the road for coffee, we were finally briefed on the regulations.

We had 30mins of hard racing to complete with two other guys joining us for the initial 15 minutes, who were actually quite slow, racing got underway. A fair bit of action from people spinning out, a lot of passing was had. There was a stage where for three consecutive laps after people spun out, I came back to following the same kart.

The chequered flag came out and we all returned to the pits to find out the Results.

I had won overall, as well as fastest lap, and Don Moffat was the next fastest competitor hot on my heels, followed by Sarah for third.

Lots of fun was had by all.
