Presidents Report

A second month of Level 2 restrictions!

Covid has made the organising or running of club events very restrictive, or impossible. For the second consecutive year, we have not been able to host the All Oz Car Show, resulting in reduced income for our club, and our chosen charity, Sweet Louise.

A huge thank you to our committee members who came up with a plan to ensure that we could safely run our All Oz cruise, meaning we could at least provide a donation. Very well done, and thank you to all involved. Any chance to get our cars out is always positive.

Maybe it will be third time lucky for our show next year, hopefully.

Thank you also to Josh and Leanne

Bentham, who, again, allowed us to use their beautiful property to host our Show and Shine event. While I was unable to attend this year, I did manage to get my car there for judging, (it's still there, but that's another story).

I understand it was another outstanding event, with plenty of quality food, and many polished and detailed cars on display. Good company, good food, and good cars. What more could you ask for in the current circumstances.

As we focus on more H.E.C.C based events going into 2022, we would love to have suggestions put forward for member-only runs and social events. We have received some suggestions from our last monthly meeting, but we are always keen to put a list together that the committee can follow up on.

Drive safe and enjoy the journey.

Waimak Classic Cars: Cruise & BBQ

The Cranford Street carpark is a great starting point for the twenty or so club Holdens to cruise north.

Instead of going straight to the venue in Leithfield, we got to open up the throttle around the back blocks of Canterbury through Oxford and Loburn etc, clocking up around 100km of travel...it was a stunning day.

After browsing through the museum of cars, which change on a regular basis, we set up the bbq on the grounds of Waimak Classic Cars, which is when the cooler winds started to pick up. However, it was my first bbq of the season and I think we all enjoyed it :)
