Presidents Report

Interclub Challenge

The Interclub Challenge is all over with the HECC winning 2/1.

The Falcon club won the first round (go-carts) with the smallest man on the fastest cart.

The second round was Ten-pin bowling. There was a great turn out for this one but the Falcon crew had no chance against Aaron who got the best score in both games.

The third round was mini golf at Ferrymead Golf.

This round had only 10 members from the HECC turn up (no Falcons) so we split up into three teams and played anyway. After the 18 holes the winners of the three teams played the last five holes again to get an overall winner of the round, they were Milton, Darryl and Myself. The winner of the round was myself winning by something like five shots. Because playing golf is so dehydrating we had to go into the club rooms for some well-earned refreshments, a giant burger and a de-brief.

Next interclub starts in August so join in.

Web-site

Thanks to Rachel for putting in a lot of time to set up our web-site we now have a site that we can very easily edit so we are looking for photos emailed to us of your car or cars for the members cars section and photos of past events for the events section. We want to make the site something great so your help is essential. We are also going to have a member's profile section so you may get a phone call from someone.

Meeting

It was great to see some new faces at the meeting this month. I hope you enjoy your time with us.

Ute for Sale

I got a ring from a fella who has got a WB Sandman for sale. He says the body has been done, but other than that I don't know much more. If you are keen get in touch with me and I will give you his number.

Keep those wheels turning and have fun.

Ray Miles

Little River Overnighter Report

As most of you know the weekend of the 28th-29th Feb was our overnigher to Little River. Meet point was Halswell War Memorial with a turn out of seven cars. I got lead duties as I had the oldest car of the day. The Commodores managed to keep up as I took it easy not having been to little River before.

Upon arriving we walked into a well filled bar of local patrons, so we all settled down for an evening of much drinking and good conversations before long it was time to fire up the barbie.

After a good feed it was on with the drinking and entertainment for the evening, Russell and Jeanette set up the music for the night and before long it was time for the quiz which went down a treat with the locals and members alike. Then the drinking resumed with some dancing by some and many tales told till the wee small hours of Sunday. All and all a great night was had by all.

A special thanks out to Russell and Jeanette for the music, Marg for the quiz and most all to our hosts Mark and Kath and their cat for bringing in a special breakfast and leaving it under the table for the brave.

Look forward to the next.

Regards Rob
