### Inter club Challenge #1

There seems to be nothing better on a sunny Sunday afternoon in spring than to go down to the Woolston Park Bowling Club and have a few beers lots of laughs and a game of Lawn Bowls.

There was nine from us but unfortunately there was only 2 from the Falcon Club and I didn't even hear back from the Vans Club. The turn out from the other clubs was very disappointing but the ones that did turn up had a ball.

We picked 3 of our team to play in the challenge with the 2 Ford guys and roped in one of the bowling club to play on their team. The rest of us had our own little game. In the end Holden won. I believe it was something like 12-5.

The response from these other clubs is very disappointing so next year we will be looking for other clubs so if anyone has any ideas please let us know. It is a great way to get to know other clubs.

Number 2 is Clay bird shooting

### Akaroa Run

We met at Ferrymead Mitre 10 for the run over the hill thru Lyttleton. To my surprise we ended up with 15 cars. After a leisurely drive, it was great to look in the mirror and see a long line of mostly Holdens behind, we lit up the BBQ in a nice quiet place and had a lovely lunch and the usual story telling.

After lunch Leonie set up a table with a massive cake on it because it is Darryl's 40th Birthday this week. Then we went our own way, some went to explore the shops and other headed back to town. 5 of us called in to see Mark at the Little River Pub for a chat.

It was great to see the guys from Leeston/Southbridge who have done their second event.
