Presidents Report

The year has started off with a hiss and a roar with us getting some good events done and dusted. The last one was the run to the Petrol head breakfast at Kustoms then out to see Harry at Southbridge.

Southbridge Run

Five cars met up at Bishopdale Mall at 8.30 on a pleasant Sunday morning. At 9 we headed off to Kustom Car Club at McLeans Island where we met up with 3 more. We hung around there for a while looking at a lot of nice cars, then at 10.45 we headed off to the Rolleston BP to catch up with some more. I don't know how Kevin did it but he was in a line of Holdens and one Buick convertible but turned off to go to the wrong BP. I think there is a fine or 2 coming up. We met up with 2 members at Rolleston. 2 fellas in a VY SS Ute and a fella in a wb Statesman at the pumps went home and got his family.

(thanks to Southbridge Hotel for photos used..)

It was a great cruise out to Harry from there in the sunshine. When we got out to Southbridge Harry looked after us, and 3 other cars from the Leeston area had come along to join in with the afternoon. It looks like the guys may join the club. They did fill in the application form. After a few beers, BBQ and a chat we made our own way home.

Thanks Harry for your hospitality and we will be back.

New Members

Welcome to Mathew Bakker and his partner Tricia Lange with a 2010 series 2 SV6 and Nicholas Gibbs with a 2004 SS V8 Ute who has just joined us.
