Presidents Report

July was a bit of a quieter month for the club while we get through the winter blues. Fair not, Spring is just around the corner and so is our club's busy period that often happens around September, October and into November.

At the start of September we have our annual AGM, and voting forms have been received and processed, make sure to get along to our Annual wrap up at The Redwood on the 5th September at 7.30pm

This year we have had huge growth and interest in the club, which is great, and I would like to thank our existing members and new members for embracing the changes and mixing with the new members. Our events have had some huge turn outs and I look forward to seeing more of you on a run soon as the finer weather rolls in and winter sports come to an end

Final Newsletter

After three years in the role, it is time for me to step down as my role as Editor of the Club Newsletter and Website.

Thanks especially to Cherie for providing a template which has been awesome to work with, and also Ray, Marg, Josh, Sarah and Leonie for the help they've given to get the monthly newsletter out to you, the members of the club.

Special thanks also to the members who have written event reports and sent me photos in recent months. It has made my life a lot easier when work commitments have prevented me from being able to attend as many events as I would have liked.

Darryl Cowens

Sent in from Sarah as written in The Press.

Holden Display

South Australia's Holden factory will have a permanent exhibition at the National Museum, as the manufacturer prepares to end its Australian production later this year.

The state's Minister for Automotive Transformation Kyam Maher says six replica assembly-line stations based on the Elizabeth plant will be suspended from the Museum's ceiling to celebrate the company's history in the state.

The Fitz Quiz Night

To help the club raise funds, we held a quiz night on the 17th July 2017 at "The Fitz".

I guess we were all quite glad it was inside, because it sure wasn't warm outside in the freezing cold. Unfortunately, winter illness' kept some participants away from this club event. But for those who turned up, we managed to form six teams to enter the quiz. A special mention should go to Murray and Jo who did exceptionally well for a team of two.

Money was raised by way of an entry fee and a raffle. Therefore, a big "Thanks to our sponsors/helpers" The Fitz, Rare Spares, Harman Motors, Mitre 10 Mega Papanui, Nutrimetics, The Entertainment book, Cherie & Craig and Sarah & Whare for donating prizes towards our raffles. There was a great variety of cool prizes to be won. Thanks to some big spenders buying up lots of tickets...even I won a prize!!

Well done to all teams which participated, and a very well done to the team "Old Novices", for taking out the night with 84 points. Also, nice work to team "Just enough" for winning 2nd place, and to "Team Ivy" and "Team Becky" for coming 3rd equal. I want a rematch!!

On the flip side, I thought it was a cool club event for us to do in the holidays while I'm here to come along and I can't wait to go on more club events next time!

Zha'dynya Sutherland..
