October 2018

PRESIDENT'S REPORT

September had a mixed bag of weather but has been definitely warming up, September was a bit more laid back for myself due to other commitments in preparation for October's craziness.

Trophies are now due back at or before the November meeting with our Club Show n Shine coming up fast, hoping for fine weather and a great spectrum of vehicles, also coming up in November is Lake Hood cruise.

I hope to see you on a run this summer

AMBERLEY ROCK N WHEELS

I thought I'd fire the old Landy up for a wee run to so we headed off to meet some of the team to head to the Kustoms Breakfast, then off to Amberley around 10am for the Rock n Wheels

The old girl managed to get out of the car park safely and kept up a good pace with the Holdens to Amberley and there was a good number turnout with some awesome cars on display.

There were numerous different stalls where a few Club members picked up some bargains and fathers day presents but only two coffee carts with huge queues! Even though it was a bit of a chilly day with a bit of rain here and there it was a good day out for all.

POKER RUN

***A rather late article from the Poker Run event that was held on the 19th August ***

Perfect start to a chilly morning was hitting Tram Road heading straight for the snow capped mountains. You couldn't get a better backdrop.

First stop to get the first playing card was at Paul & Miriam's residence at Oxford where you had to go down the paddock and get the name from the side of the bee hives they have on their property. Three teams cut across Paul's new grass and scored themselves a club fine!

The second playing card was picked up from Leonie and Darryl at Glentunnel domain. They had the pleasure of relaxing for a good amount of time before the teams rolled in.

The third playing card was picked up from Sarah & Whare by the Leeston War Memorial. Depending on the way you had travelled from Glentunnel to Leeston, depended how quick you made it there.

The last card was given out at the Famous Grouse Hotel in Lincoln and the teams had to then decide to discard a card for a new one, or hold their hand in anticipation for the poker round to commence.

When the hands were finally played, Sarah & Whare had the winning poker hand and Cherie and Craig had the second best hand. Prizes were swapped due to Sarah donating first prize, so Craig was very thrilled with his Holden book.

The Hotel offered us all great hospitality, including hot chips and pre-stamped coffee cards. Their offer was also extended for us to come back to the Hotel as a club event, and utilise their greater menu which included their pizza oven and BBQ ribs.

Great day out cruising Canterbury and having some fun at the same time!

AUSTRALIA CAN MAKE IT

FIRST picture of the new Holden seven-cwt. utility—the first utility truck to be made completely in Australia.

It has the same engine as the Holden car, but the springing is heavier and the load area is strengthened. Price for the utility is £785, plus tax, in the capital cities. Freight is additional in the country.
