Mumblings from across the desk in the den of the Holden Enthusiasts Club Christchurch

April 2020

Presidents Report

Hello Everyone,

Hope you and your family are all keeping safe and active in your "bubbles".

The start to the year keeps throwing curve balls, with the rest of this year being a bit of a challenge when organising events. As many of you will be aware, the May club meeting will not be taking place.

Still, as a club we have enough experience within our committee and members to be able to work out our runs and club events I'm sure.

Amid all the distraction and turmoil of the past 4 weeks, I have received the sad news that one of our club members, Leonie Harris, passed away after battling cancer.

Leonie was one of the clubs longest serving members, and past committee member, only standing down at last year's elections.

Our condolences to Darryl and families at this very difficult time.

Please look after each other and keep safe.

Allan White

COVID-19

A month on and our world has been flipped upside down in uncertain times. A four level alert system has been thrust upon us with the implementation of the highest level of lockdown within a few days of that announcement.

With level 3, and the loosening of some restrictions, we are not much the wiser for when we can get back to firm plans for our next club event. How the rest of the year goes, what we can do, and how we can do it is anybody's guess. All we know at this stage is that our second club meeting in a row is now cancelled (May meeting).

All organised club events, including any planned club attendance, are either cancelled or on hold until further notice. For now, keep an eye on the club website (www.holdenclub.co.nz) Facebook, or your email for the most up-to-date happenings within the club.

Keep well and keep within your bubbles. We will eventually return to having runs etc but they may be a little different to what we are used to.

For NZ Government updates go to: <https://covid19.govt.nz/>

With the retirement of the Holden brand, we would like to hear about your passion for the beloved Holden. Let us know and we may be able to include your story in the next edition of the club newsletter and on our website.
