Presidents Report

Jiminy Cricket time is marching on, I hope you've done your Christmas shopping because Santa will be here before you know it!!!

But before the jolly fella arrives we need to elect a new crew, or familiar face/s, to form the club's committee for 2023-24. If you have what it takes, give it a crack.

Following on from this we are heading to Ashburton to check out the aviation museum, picking up a bargain at the Swap Meet, cruising with the best All Oz cars, then displaying these cars at the A&P Showgrounds (have we mentioned that we need volunteers for the show), polishing our own cars for the club's annual Show and Shine, cruising to Nelson, and then we might be able to relax at our Annual Christmas meal and prize giving. Phew!

So yeah, still plenty happening.

Though the frosts are still hanging around, the rainy days seem behind us as the days are getting warmer and more and more stunning, especially for cruising over the pending summer.

Don't forget that the 2023-24 subs will be due after the AGM. An invoice will be sent out as a reminder but do let us know if you no longer wish to continue your membership.

Finally, if you havent completed your christmas shopping, we have a good selection of club merchandise, including our popular soft toy lions, and we also have HOLDEN Our Own books available for sale. Please contact the committee for details.

See you all at our next meeting and AGM.

*Cheers,
Fuds (Ed)*

Ten Pin Bowling

Sunday 23rd July, 2023

With Sunday 27th being such a cold wet day, and most people stuck inside on the Saturday as well because of the weather, Ten Pin Bowling was a welcome break to get out of the house.

16 of us spread out over 3 lanes and got down to enjoying 2 games of intense bowling. Playing in my lane were Jeanette, Keri, Liam, and Jackie. Josh and Leanne were joined by Tracy Lee, and Alicia's ring-in, Annabel. The final lane was occupied by Alistair, Julia, Sarah, Dyon, and Craig. Tim and Heather were our support team.

I'm sure bowling is one of those sports where you always think you are better than you actually are, and once you start you only concentrate on getting the ball to the end of the lane without going in the gutter. If you also manage to hit a pin or two, then you get to tell other players how you planned it that way!

As many of you would be aware, none of those present are ever interested in being too competitive, and only come along to enjoy each other's company, BUT, a close eye is being kept on the scoreboards.

I am leading, just ahead of Alistair followed by Josh. Surprisingly, Annabel is sitting 4th overall at the end of game one, but she did have a ball roller cradle and gutter guards.

Game two kicks off and the pressure is getting quite intense, to the point that Annabel calls it a day, and goes for a sleep. Josh does a great effort keeping her game alive, to the point she finishes 2nd to Josh, and ahead of myself, with Alistair coming in 4th.

All of us that attended had a really enjoyable time and some of us may even go back and give it another shot very soon. Practice makes perfect, so they say.

It should be noted that as a combined total over two games I finished 1st, Josh 2nd, and Alistair 3rd.

Bring on the next challenge.
