Presidents Report

Four months till Christmas!

This year has really gone fast, with even the seasons a little out of sync, but I am sure they will correct themselves soon and we will really experience winter.

As always, the committee concentrates on monthly club events based on what they expect the weather should be, with July normally being cold and wet. As such we plan to have an indoor family event. This July was indoor mini golf at The Palms, and this was well attended by our members and families. If you missed this event, there is a write up in this newsletter.

Again, thanks to all the committee members involved in organizing this event, with a special thanks to our Club Captain, Heather Harris for arranging the vouchers and prizes.

We are seeing new participants at each months club event, and while a few are joining the club to participate in the Holden Nationals at Easter 2025, many are joining to get their cars out each month, and enjoy the company of fellow members.

As many of you will be aware, H.E.C.C. are one of the few car clubs that have a committee that strives to provide members with a monthly event.

While the committee work very hard to ensure we all enjoy a club event every month, we are always looking for more ideas, so if you have a suggestion, please let us know.

Our AGM is being held on 3rd September, directly after our club meeting. We would like as many members as possible at this meeting as we need to approve our clubs constitution, which you should all have received and read. Obviously, we will also receive nominations for our executive positions and committee for the next financial year.

We have one new member voted in this month. Welcome to Daniel Gardiner from Nelson.

Keep warm, stay healthy, and I will see you all at our AGM.

Mini Golf at the Oasis the Palms

Sunday 21st July 2024

For one of our winter wet weather inside events this year we meet for some Mini Golf at The Oasis the Palms. We had teams of 4 and we each started at a different hole around the golf course so that we could all be playing at the same time rather than waiting. The course was well done. It was harder than it looked. We had a good turnout of just under 30 people playing.

There is was even a darker room with glow in the dark are-as. Yelling our four, was required for this mini golf game. It was all tactics on the best way around the obstacles, trying to make sure you ball didn't get to the start of the course. Patience, angles and good luck at times were key to getting a low score at this game. It wasn't a matter of speed, it was concentrating on the earlier listed skills.

You either were confident and went first and managed to pave/show the best way for those in your team that fol-lowed you. Or you went last and worked out the ways you should/or shouldn't play each hole so managed to get a low score that way.

I think we all enjoyed the course and would try it again, we recommend you visit and have a go.

Once finished we got together for a drink and/or some food and the awards ceremony.

Both winners and a couple of people at the rear were also rewarded for their efforts. Congratulations to our winners in each category:

Best Mens: First – Joshua Bentham, Second – Whare Ward, Third – Brent Nuttall

Best Ladies: First – Karen Nuttall, Second – Vicky, Third – Jeanette White

Most Holes in One – Tim, Brent and Karen all got 1 hole in one.

Highest Score – Riley

Best Youngest Player - Ava
