Presidents Report

With the year all but over, I am sure there are many of us that will be looking forward to a well-earned break, enjoying time with family and friends, and generally recharging ourselves for 2026.

Looking back on this year, our club has many events to be very proud of. We dominated the Holden Nationals, proudly represented our club with displays at Hanmer Motorfest, Twin Rivers, All Australian Car Show in Timaru, our own All Oz Car Show, and our Show 'n Shine.

Not to mention smaller gatherings that were attended by individual members. We also enjoyed the company of fellow club members at our own fun and unique monthly events, which were very well attended.

At our Christmas Lunch and Prizegiving, I forgot to acknowledge the efforts of our fantastic committee. As I have mentioned many times in my reports over the years, we are very lucky to have such a dedicated and passionate team in our club. Alicia Batey, Alistair Joseph, Bevan Grooby, Heather Harris, Sarah McKenzie, Whare Ward, Brent Nuttall, and Brent Grindley, on behalf of all our members, THANK YOU for your input this year.

I should also thank you, the members, for your support, as this is what makes a club strong and starts to form new friendships both within and outside the club.

Everyone, enjoy your Christmas break, have fun, eat way too much, get your car out, but please drive safe, and we will catch up at the Pie n Pint.

Merry Christmas

Allan

Annual Show n Shine

Sunday 9th November 2025

Sunday 9th November came too soon for me!

The final car clean early on the Sunday morning ensured the car to be in top presentation form for judging was done in time for the 10 o'clock meeting.

With Ouruhia Domain the site, now being the hardest place to get into with Roadworks limiting the road to One Way (Some members doing the Belfast loop Twice) we arrived to setup on time.

The Domain was a great setting (Shame Toilets not working let it down) to setup the cars , Barbecue trailer (Our club sets a high standard with its own coffee cart on site)

We had 25 lined up for the team of three Judges to work their way through, all presented so well making it even harder for them .

Now the big wait to Xmas Do to hear the results !

With lunch organised well by Sarah and Heather we were able to cater for 50 with Burgers , Sausages and Garlic Bread

It was a great day to mingle and chat with a couple of possible new members attending.
Now the wait for Xmas do !

Brent G

Christmas Dinner and Prize Giving

Sunday 7th December 2025

After many years of enjoying our Christmas lunch at the Redwood, this year we chose to try a different location, and what a great choice! 'The Barn' at the Vintage Car Club site at Cutler Park was such a great experience.

Accompanied by our Vice President I was able to enjoy my monthly park up and mingle at the Hot Rod Breakfast, enjoying the huge variety of cars on display, then simply drive across the paddock to help set up for our lunch.

With Heather busy filling the Brandy Snaps, the Spit Roast Company girls preparing the food, Alicia setting up tables, Bevan and I only had to lay out the trophies and certificates, and the hall was almost complete. Lastly getting the children's Christmas presents laid out on display, and job done.

With some help from the more tech savvy amongst us we had our Bluetooth speaker playing Christmas tunes just in time to start serving our food and enjoying the Christmas cheer and banter. Many members got into the spirit with some very Christmassy attire. Great to see.

With the children's Xmas presents given out, including a lovely fruit loaf for our 50 year old President, (thanks Heather, and Brent and Brent), it was raffle time. This year, apart from our normal three excellent food hampers, which have always been great prizes, we had two stunning extra prizes. An impressive looking Xmas cake donated by Heather Harris, and a huge Xmas biscuit platter donated by Ellen Nuttall.

Trophies and certificates always generate some surprises each year, and this year was no exception. Our three volunteer members always do a great job judging their category of engine bay, interior, and exterior, and never know the final results until prizegiving, making it just as surprising for them. Well done to our placegetters, as the standard was very high this year.

We finished our afternoon with delicious desserts and slowly all made our way home. Another great day out with great people.
